

Older Adult Assistance

Powered by DUOS

Our nation is aging at an unprecedented rate. By 2034 older people, many of whom want to age at home but lack social support, are projected to outnumber children for the first time in U.S. history,¹ leaving a deficit in the ability to care for them. Magellan Healthcare's high-touch, high-tech Older Adult Assistance solution takes care of older adults' aging needs while easing the burden of their unpaid caregivers.

A trusted human resource

With Magellan's Older Adult Assistance solution, members build long-term, high-trust relationships with a Duo, or personal assistant for aging well.

- ✓ **Personalized plan and weekly virtual check-ins** help members meet ongoing and daily needs, including housing, transportation, meals and groceries, healthcare navigation, social enrichment and financial health.
- ✓ **Coordination of care** with families, health plans and PCPs ensures holistic, personalized support.
- ✓ **Behavioral health services referrals** help members achieve life-changing recovery from serious mental illness and substance use disorders, build resiliency and live more independently.
