

eMbrace Solutions

Magellan
HEALTHCARE®

Magellan Healthcare's eMbrace suite of solutions allows you to choose benefits that support the unique needs of your organization or client. We offer Total Wellbeing, Employee Assistance and a variety of Specialized Solutions targeted to specific employee needs.

For leaders and managers

Critical Incident Response services are led by our highly experienced team to help managers and employees cope with traumatic events onsite and online.

Training includes a quarterly newsletter and a live webinar led by experts on timely topics such as managing change, identifying vulnerable employees and more.

Workplace Support Consultants support leaders with personal consultations on self-development, individual employee concerns and team-building opportunities.

For employees and their household members

Counseling services are available with licensed providers in-person and virtually (by phone, video, live chat and in-app messaging).

Digital Emotional Wellbeing app allows employees to self-serve clinically validated therapy modules for help with anxiety, resilience, stress, depression, chronic pain and more.

Discount Center makes lives better through hundreds of deals on nationally recognized brand-name products and services.

Financial Wellbeing, Legal Services and Identity Theft Resolution experts help employees take control of their finances, resolve legal issues, restore credit and more.

Gallup® Wellbeing Survey** is a series of questions designed to measure wellbeing in six areas: emotional, career, social, financial, physical and community.

Member Website features a personalized, guided experience to relevant programs, services and resources.

Personalized plan** includes a series of activities and resources to advance your wellbeing in each of the six areas.

Wellbeing Coaching is provided by certified coaches to help employees clarify goals, identify obstacles and develop action-based solutions.

Work-Life Services gives employees 24/7 access to highly trained, caring specialists for help with daily stressors and major life events.

Specialized solutions

Advanced Financial Wellbeing provides unlimited access to an unbiased Money Coach, a personalized website with financial content and budgeting tool.

Breastfeeding Support for working mothers with 24/7 access to lactation consultants for guidance on breastfeeding challenges and concerns.

iMclusion is a diversity, equity and inclusion program that develops culturally competent organizations and individuals.

On-Demand Tutoring provides 24/7 access to professional tutors and educational tools for grades K-12 and college, test prep, self-study tools and more.

Appointment Assist is a concierge service where Magellan does all the work to ensure employees get the care they need, when they need it.

Global employee support includes culturally sensitive, localized and expatriate services in over 200 countries/territories.

LegalShield* is a comprehensive legal protection plan that provides families with direct access to qualified attorneys through a dedicated network of provider law firms.

On-site Counseling removes barriers to care by providing convenient, easy-to-schedule counseling appointments in the workplace.

Backup Care helps employees secure and pay for care for children, elders, pets or self-care when regular care services fall through.

ID Protect Pro and Premium* offers one-on-one assistance, monitoring and protection technologies to create a true 360° identity security experience anywhere, anytime.

Magellan Autism Connections® combines expertise in the care of children diagnosed with autism with targeted efforts to engage and serve caregivers.
